

Class Level Recommendations

Recommendations for Fall 2020 classes!

*Students enrolled in **Levels 1+** during Spring 2020 will get Level Recommendations.

*Students enrolled in Preschool & Intro classes during Spring 2020 will NOT get Level Recs as their classes are age-based.

*The decision to **BEGIN** a Level 1 class is **age-based**.

*The decision to **ADVANCE** from a Level 1 is based on **recommendations**.

*Dancers must be the minimum age for a class by Sept 1, 2020.

NOTE: we have 7 Levels for elementary to high school versus 13 Grades in regular school. Our progression process is different, and a dancer might not advance to the next level each year even though she/he is improving and learning.

*Please talk with DXP Desk Staff if your dancer wants to take a different style of dance than what is included in the recs.
